The messages you post in our community areas may be used by Ebuild as part of our research and publication, and we reserve the right to copy or quote them here or in other media.

Collecting site usage information

We monitor site usage by analysing aggregated user information. This helps us improve the site to give you the information, services and features you want. This information is aggregated and does not identify you individually.

We do monitor the number of successful logins on each of "Our Member" account. This allows us to identify potential abuse or unauthorised use of the Site.

Cookies

ebuild.co.nz uses "cookies" to improve your use of ebuild.co.nz services.

We use **temporary (per-session) cookies**, for the following purposes:

- To "remember" that a ebuild.co.nz member has logged in. This means that you don't have to enter your email and password more than once a visit;
- To personalise some parts of your site visit.

Please note: Our temporary cookies **must** be accepted in order to login and gain access to the Our Member Services on the Site. If your browser is set to notify you when you receive a cookie, you will be prompted to accept the cookie (Yes/No). Please select "Yes".

Our temporary cookies will disappear when you logout of ebuild.co.nz.

We use **permanent (persistent) cookies** for our automatic login feature. When enabled on a computer, this feature means that members don't have to manually login each time they visit ebuild.co.nz from that computer. Your browser must be set to accept permanent cookies for this feature to work.

You can choose not to enable this feature. If you do choose to use the automatic login, this feature can be turned off at any time by logging out.

Important! You should not use the automatic login feature unless you are the only person who has access to the computer. **Never** enable this feature on a public access computer - this could allow other people to access the site under your login and access your ebuild.co.nz account details.

We also use cookies with some of our polls and surveys, to help manage user responses, for some aspects of the site search function, and for tracking conversions from some of our online advertising and promotions.

ebuild.co.nz provides links to other websites when we consider you may be interested in the content on those sites. We do not necessarily endorse those sites or their content and we have no control over the conduct of the companies or organisations operating those sites.

Before you disclose any personal information to another site, we advise you to check its terms and conditions, including its privacy and security policies.
